

## **AICTE MANDATORY DISCLOSURE**

University College of Engineering Villupuram, is a Constituent College of Anna University was started in the year 2008. The College offers five Under Graduate courses and a Post Graduate course in the field of Engineering and Technology. The UG courses offered are B.E Mechanical Engineering, B.E Computer Science and Engineering, B.E - Electronics and Communication Engineering and B.Tech - Information Technology with an intake of 60 students per department, in addition, the college offers B.E-Mechanical Engineering in Tamil Medium and one PG Course M.E- Internal Combustion Engineering.

This University College is a place for budding Engineers to widen their technical knowledge through which they could enhance their innovative ideas by effectively accessing all available technical resources found inside the campus. The College also provides a great support to Technical Education by bringing in a number of well experienced experts from Academic / Industrial domain from all over India. Apart from this, UCEV encourages the faculties to do Research on various Engineering and Science and Humanities discipline. UCEV obtained funded projects from DST/ TNSCST and other Government funding agencies.

### **1. TECHNICAL SKILL DEVELOPMENT INSTITUTE (tSDI)**

The UCEV is identified as one of the five centers in Tamil Nadu for **tSDI** (Technical Skill Development Institutes) by Government of Tamil Nadu.

- Government of Tamil Nadu announced to start Five Technical Skill Development Institute (**tSDI**) across the State, in collaboration with SIEMENS and Design Tech Limited.
- Apart from setting up a Center of Excellence at MIT Campus Chennai at a cost of Rs.546 Crores, our College is one among the Five Skill Development Center in the Government of Tamil Nadu.
- The laboratories established for are Agriculture lab, Automobile lab, Electrical and Electronics lab and Computer Based Training Lab, which give hands on training to the students.
- Center of Excellence (COE) is created as advanced knowledge center for Engineering Colleges/advanced Polytechnics with focus on students training. R& D, conducting industry sessions, etc.
- The Siemens will host all of its industry training specializations, and facilitate multi-skilling to the various categories of students.

- Industrial based Training is being given to the students of ITI, Diploma and Degree holders. After the successful completion of training courses, certification will be given by Siemens and they can appear for employment, opportunity at different organizations.

## **2. Hub Center for Entrepreneurship Development And Innovation Institute (EDII)**

The UCEV is Hub Center for Entrepreneurship Development and Innovation Institute (EDII)

- Entrepreneurship Development and Innovation Institute (EDII), a Govt.of Tamil Nadu, established its Hub Centre under AIEDP at University College of Engineering Villupuram in collaboration with the Training and Placement Cell (TPC).
- This centre will give motivation and training to the Students of Villupuram, Thiruvannamalai, Vellore, Cuddalore and Ariyalur Districts to identify and promote their entrepreneurship skill and to compete with challenging society.
